Information	x					

COMPONENTS CONCERNED

41529200 Ingredient Motor

MODIFICATION

- From machine number

CV 5100 : 519858

FB 5100 : 520260

ES 5100 : 520309

IN 5100 : From week 22 - 2002.

a new motor with a new type of gear wheel has been introduced to the 5100 machines.

The part number has not been changed.

REASON

- The design of the gear wheel of this new motor ensures an easier and more secure gearing with the ingredient canisters.

REPLACEABILITY

- The new motor replaces the old one directly.
